

## School Holidays Race Courses

Our TEAMKARTING Racing courses are open to drivers aged 8 – 15. Participants will learn the basics of kart racing, including classroom tuition and track time. As well as being taught the more advanced aspects of karting, such as wheel to wheel racing.

The two day event will teach your young ones things like proper body position, steering, racing lines, safe passing and kart control. They will also have basic instruction of the fun technical aspects of racing that will help them improve their lap times and overall enjoyment.

The courses are run by an experienced racing driver and racing coach who can assist you in all aspects of your development as a kart racer. Our team of trained staff will be on hand to assist in any way they can. Karters enjoy the active and engaging environment that will help them learn the valuable attributes of sportsmanship and healthy competition.

The 2 Day Introduction to Karting Course will start at **9:00am** and finish at **3.00pm** each day. Each racer will receive a packed lunch including a drink. Bottled water will be provided through the sessions. On the second day the drivers will take part in a Grand Prix followed by an awards ceremony. Each participant will receive a certificate of completion.
